

Club's gift brings smiles

25

A COMMUNITY group has donated dozens of items to a toy library in Birmingham.

Doris Green and fellow members of the Northfield Holloway Hall Friendship Club gave toys, games, dolls and teddies to the new library at the Lakeside Children's and Family Learning Centre in Kingstanding.

Doris, organiser of the friendship club which runs activities for the elderly and those with special needs, heard about the toy library from her daughter Anita Kibble, tutor co-ordinator at Enta1, which runs the Lakeside Centre.

Lakeside manager, Geraldine Dowling, said: "The children will be delighted to borrow from the lovely toys and games."
